---

Welcome to Bridges Nursery School. We are proud to have you be a part of our school family. To be sure you are always informed of the latest Bridges' news; please sign up to receive our updates. You can do this right on our website. Follow us on Facebook for all the latest updates.

All forms regarding your child's upcoming year are posted on our website. Please click on [forms](#) to download any of the following:

- School Calendar
- Parent Orientation Meeting Schedule
- Tuition Payment Schedule
- Medical Form (Universal Child Health Record)
- Allergy Treatment Plan (if necessary)
- Asthma Treatment Plan (if necessary)

The "Universal Child Health Record" is mandatory and must be filled out and signed by your physician. Immunization records must also be included. Medical forms are mandatory for all students.

Yearly Influenza vaccines are mandatory. When your child receives the inoculation, proof must be provided from the doctor.

If your child has any allergies that require special treatment, an "Allergy Treatment Plan" signed by your physician must be brought to the school.

Doctor's Orders must accompany this plan if an Epi-pen is being provided to the school.

Epi-pens must be in their unopened, original containers with a separate prescription sticker adhered to it.

Completed forms for all students are due no later than August 1<sup>st</sup>. No child is permitted to begin school without all of the required paperwork completed and returned to the office. Do not bring paperwork to school the night of the parent meeting.

Tuition payment # 2 is due on or before August 1<sup>st</sup>. (This does not apply to students who have prepaid or are not starting school in September.) Tuition payment #3 is due October 1<sup>st</sup>.

Your expediency in this matter is greatly appreciated and allows more time to create a smooth transition for all students and their families.
