sister.**

Happy Thanksgiving!

During the month of November, each class will be learning about Thanksgiving in their own special way!

Ms. Irene and Ms. Kim's Pre-K will be learning about the miracle of the Loaves and Fish.

Both Ms. Irene and Ms. MaryAnn's classes will be attending a prayer service in the Chapel focusing on sharing and being thankful to God.

Ms. Maryann and Ms. Linda's Pre-K will be experiencing the daily activities of pilgrims by setting up centers in the classroom. They will wash clothes, pack food for winter and draw water for their homes.

Ms. Roberta, Ms. Toni and Ms. Karen's Tues./Thurs. classes will be decorating Indian vests, making Indian headbands, assembling totem poles and learning holiday songs such as "Ten Little Turkeys".

Ms. Kathy & Ms. Donna's 3 year old classes will be making Indian headbands and vests. Their Pre-k will be making tee pees and soda bottle pigs.

Ms. Joanne and Ms. Kelly's Pre-K classes will be making dream catchers—an Indian tradition using charms to foster good dreams and webs to catch bad ones. They will also be making Indian drums and necklaces. Ms. Joanne and Ms. Trish's Tues./Thurs. students will be making Indian rhythm shakers, necklaces and pilgrim costumes.

Our kindergarten children will be making totem poles and attending a prayer service highlighting the importance of being thankful for all God's blessings. They will be camping out in a tent with a backpack full of books to read as a salute to "National Children's Book Week".

On November 22nd or November 23rd you will be receiving a written assessment addressing your child's adjustment to school. We're making great strides every day.

The month of November will be devoted to Thanksgiving. We spend much time discussing friendship, sharing, cooperation, and we remind the children to be thankful for what they have. Different variations of the Thanksgiving feast will be celebrated in school on November 22nd and 23rd. Details will follow.

We are most blessed to share our holidays with you.

HAPPY THANKSGIVING FROM OUR BRIDGES FAMILY TO YOURS!
