Happy New Year!
- September 2012 registration information for our in house students will be sent home shortly.
- All pertinent school information is on the website. Please check it regularly.
- Congratulations... Emma W. is a big sister.

We hope all had a good Thanksgiving. The children truly enjoyed our celebrations. Judging by the number of dirty faces and giggles, we're sure no one went home disappointed! Our Pilgrim and Indian children gathered together. We gave thanks, blessed our food and ate. We all enjoyed ourselves.

The Kindergarten children had a lovely prayer service in the Chapel to thank God for all His blessings. Our full day pre-k children focused their prayer service on the joy of giving and the importance of being thankful for all God's blessings.

December will be a very busy month. Our time will be spent making presents, decorating our rooms, practicing for our performances, and preparing for Christmas. Each class will have a Christmas party during regular class times. Details concerning the celebrations will be sent home by the individual class teachers. Don't forget Santa will be stopping by to visit our school.

We will be proudly performing Christmas shows for our families beginning on Monday, December 19^h and continuing through Friday, December 23rd. Please refer to the schedule posted on the website. Invitations will be distributed shortly. They contain specific information regarding your child's show. All are invited to attend. What a great way to celebrate Christmas.

The school pictures have been sent home. Please remember to drop off your check, made out to Slayton Studios, along with any pictures you will not be keeping. Please bring the checks and pictures to the office. All money was due one week after the pictures were sent home. Thank you!

Please use caution when entering and exiting the parking lot as there are many young children present and we want to keep them all safe. No need to speed - even if you think you are late.

Please do not allow your children to run in the gym or hallways before or after classes because it can be very dangerous.

The staff of Bridges at St. Thomas More School wishes to extend to everyone a very Merry Christmas and a New Year filled with all of God's blessings, peace, and love.
