Happy New Year

Dear Families:

We wish you all a healthy and happy 2012! Our Christmas season was a fabulous one. Cards and present's filled our rooms and music filled the halls. I was very proud of the excellent job the children did in the Christmas shows. We practiced long and hard and the effort paid off. The Kindergarten performances of "Twinkle the Christmas Star" truly showed off the hard work and talent of our Kindergarten classes.

We will be exploring different countries as part of our January curriculum. Classes will learn and then teach about a different country.

Ms. Karen's Toddler Time Mommy-and-Me program begins on January 11th. There is still some space available, so come and enjoy some time with your child.

We are looking forward to meeting our new January friends and seeing our returning students. After a long Christmas break, this month can be an adjustment period for both children and parents. It may take a few classes for everyone to get back into the swing of things.

Please remember if your children are ill the best place for them is at home!

Now that winter is here inclement weather may cause confusion. In the event of a snowstorm or questionable weather please check our website www.bridgesnurseryschool.com, Facebook page, or answering machine for all updated information. If the Manalapan-Englishtown Schools are closed then Bridges at St. Thomas More is closed. We **do not** take part in any delayed openings. We always begin classes at **regular** times.

I would like to thank all of you for your generosity this Christmas. I truly enjoyed all of my gifts and letters!

Happy Winter,
Luann Normandia
