February 2012

Registration for September 2012 Continues...

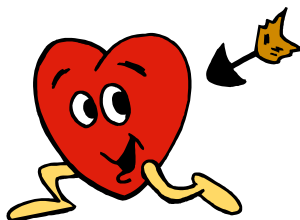

February Spotlight

Toddler Time began with a salute to winter. Ms. Karen has much more fun planned for her students and their families.

Coming This Month...

The Greatest Little Show in Manalapan!

All Grandparents are invited to the Grandparent's Day Show!

Dear Families,

We will begin the month of February by explaining Groundhog's Day. Some of our other themes this month will be President's Day, Valentine's Day, and of course Grandparent's Day.

On February 9th and 10th, we will be honoring our grandparents with a special celebration. All of our student's grandparents are invited to attend. The children have been practicing songs and learning dances for this event. You can't miss this! Make sure you visit our website after the shows to view the latest pictures.

February 22nd is Ash Wednesday. Deacon Casey has invited our students to a service where he will be explaining the meaning of this day.

The children can exchange Valentine cards if they wish. No names should be printed on the outside of the envelopes! Your child can sign the inside of the card and we will distribute them in class.

Bridges at St. Thomas More Nursery School and Kindergarten continues to accept registrations for September 2012. Please let anyone know, that may be interested. Spacing is limited. Please register early so that you will not be disappointed. Some sessions are already closed.

*****REMEMBER:** Enrollment in school this year does not guarantee your placement next year. If you want your child to attend Bridges at St. Thomas More Nursery School & Kindergarten next year, you **MUST** officially enroll this year.

On Friday, February 17th and Monday, February 20st school is closed in celebration of President's Day.

March 22nd and March 23rd are school conferences.

Very shortly, our Kindergarten classes will be celebrating the 100th day of school. How many different ways will they come up with to represent the concept of 100? We can't wait to find out!

As inclement weather approaches, please remember to check our website for school closings. We do not participate in delayed openings.

Happy Valentine's Day!

Luann Normandia
