

Bridges Nursery School & Kindergarten began graduations on Monday, June 9th and finished on Wednesday, June 11th. Each ceremony was unique and special in its own way.

*Ms. Jodi, Ms. Lynne and Ms. Mary's 2 ½ year olds sang and danced to 4 songs. The children performed with their hearts. They did a wonderful job. I was so proud and so happy for their teachers. I know how hard they worked and I was glad to see the families enjoying the fruits of their labors.

*Ms. Jeanine, Ms. Toni, Ms. Karen and Ms. Mary's students did a wonderful job preparing their 3 year olds. Their students did a super job singing and dancing for their families. Once again, my heart was filled with pride. Only 3 years old and yet so grown up.

*Ms. Kathy, Ms. Donna, Ms. Debbie, Ms, Nicole, Ms. Beth and Ms. Lynne guided their Pre-K students through a heartfelt graduation ceremony. There were tears, hugs, good-byes and promises to visit next year. It was a beautiful moment in time.

*Ms. Cathy and Ms. Jessica brought the entire gym to tears as they lead their students through a most beautiful ceremony. The famous (tissues required) Bridges' Kindergarten Graduation began and ended all too quickly. Each family took the time to hug and kiss the teachers. They took many pictures and reminisced about the year that was now coming to an end. It was heartwarming and joyous to see the bond these people had formed with their children's teachers. Everyone said they felt blessed to have had this experience.

*As different as each ceremony was, there was a common thread that ran through them all. Show after show families would compliment Bridges and their teachers. They would discuss the feelings of love, respect, understanding, safety and family they had found here. They spoke of the spiritual, emotional, social and academic growth their children had achieved. They learned responsibility, independence, and self respect. They credited the teachers for their dedication and hard work. Everyone expressed their deepest gratitude.

The staff of Bridges wants everyone to know, **"It's been our pleasure!"**
